

A photograph of an outdoor furniture set in a garden. The set includes a wooden armchair with a dark grey woven seat and backrest, a matching ottoman, and a small round wooden table. A large, light-colored cushion is on the chair, and a patterned pillow is on the ottoman. The furniture is set on a light-colored rug. In the background, there are green plants, a stone wall, and a statue of a person holding a staff.

UMBRELLA HOLE:
COMES WITH A 1.5" AND 2" ADJUSTABLE UMBRELLA HOLE FOR
ACCOMMODATING VARIOUS UMBRELLA SIZES TO PROVIDE SHADE.

Low maintenance due to the inherent properties of teak; however, for those who wish to preserve the golden hue of the wood, applying a teak sealer or oil once or twice a year is recommended. The synthetic rope is easy to clean with just soap and water.

FRAME: Made from premium Grade A teak wood, which is kiln-dried and machined with mortise and tenon joints for exceptional durability. Teak is naturally high in oil content, offering resistance against moisture, rot, insects, and the harsh elements.

SEAT AND BACK: Made from High Density Poly Ethylene core wrapped in nylon acrylic rope, providing comfort while maintaining an elegant look. The rope is designed to withstand outdoor conditions without fading or deteriorating.

Three Year Warranty.

Backed by a 3-year warranty on teak, rope, wicker, and stainless steel hardware, ensuring long-lasting quality and peace of mind in all weather conditions.

VERSATILE DESIGN:

Its simple, elegant design allows for versatility in placement whether in patios, entryways, or living areas. It can serve multiple functions like holding snacks, drinks, or decorative items.

NATURAL OIL CONTENT:

The teak naturally contains a high level of oils, which helps protect the table from weather, UV rays, and insect damage. This natural resistance contributes to the wood's durability and ability to handle outdoor conditions without fading or deteriorating.

Three Year Warranty.

Backed by a 3-year warranty on teak, rope, wicker, and stainless steel hardware, ensuring long-lasting quality and peace of mind in all weather conditions.

MARSEILLE

Inspired by the sun-washed terraces of the French Riviera, Marseille pairs solid Grade-A teak with woven rope for a look that's light, modern, and built to last. The low, open frames let the weave do the talking - taut, breathable seating that's comfortable without a cushion and dries fast after a storm. Available in Sand or Charcoal rope, the group covers both sides of the patio: a full deep-seating suite with sofa, club chair, high back chair, and coffee and side tables, plus a dining program with arm and side chairs, a 53" bench, and square teak dining tables in 42" and 66" sizes. Mix, match, and let it weather beautifully.

BARCELONA

Barcelona brings a crisp, architectural edge to the outdoor room. Slim powder-coated aluminum frames carry warm teak accents — armrests on the seating, plank tops on the dining tables — for a mixed-material look that's contemporary without going cold. The stacking sling chairs, in standard and grand sizes, feature sling seating that's cool, quick-drying, and stacks away in seconds; stainless steel frame versions are also available. Deep seating pairs the same clean lines with plush cushions, and a full table program - coffee, side, and console tables with built-in shelves, plus dining tables in teak-top or full-metal configurations — keeps every layout covered. Lightweight, low-maintenance, and easy to live with.
